# A fun filled month!

We celebrated the King's birthday by making crowns and having a birthday tea party!

### Gardening and growing!

Our Pre-School group enjoy watering the plants and vegetables growing in our nursery garden daily.

They look closely to observe changes in the plants, especially for vegetables that are ready to eat!

This has been a great way to add new language into the children's vocabulary and teach important lessons about nature, our environment and so much more!

# Graduation Celebration 2024

The staff would like to congratulate all the children graduating from Blue Bell Woods this year. It has been a pleasure to care for your children over the years; we wish them the very best in their next adventure- big school!
